## Section 1 Leadership Training 2013 Summer Institute

The Ocean Edge Resort is a spectacular landmark with a rich New England history and is listed in the National Register of Historic Places. Originally built as a residence for the Nickerson family, the estate also includes a carriage house, stone tower (which served as the 19th hole for their private golf course) and a private game preserve (now Nickerson State Park). The architectural style of the Mansion closely resembles an English country manor with an eclectic blend of Renaissance Revival and Gothic themes. After extensive renovations and in keeping with its tradition, Ocean Edge is now a meeting and destination site for guests from around the world.

A grand Massachusetts New England resort on four hundred acres from the Jack Nicklaus golf course to 700' of Ocean beach front in Brewster, MA near Chatham. Cape Cod where endless activities meet the ultimate in relaxation. A perfect New England resort for family getaways, romantic New England vacations, Cape Cod golf and tennis.

***Bring your family and make a business workshop into a vacation opportunity.***

***Only 60 rooms available at the special rate so register early.***

**Golf is at the Ocean Edge "Jack Nicklaus" Championship Golf Course; includes cart and range balls.**
