The Ocean Edge Resort is a spectacular landmark with a rich New England history, Ocean Edge is listed in the National Register of Historic Places. Originally built as a residence for the Nickerson family, the estate also includes a carriage house, stone tower (which served as the 19th hole for their private golf course) and a private game preserve (now Nickerson State Park). After extensive renovations and in keeping with its tradition, Ocean Edge is now a meeting and destination site for guests from around the world.

Enjoy time with your family and friends while participating in professional development. The Cape has a lot to offer for families such as: Cape Cod League Baseball – the oldest collegiate summer league in America and a place where future major leaguers are playing; the Cape Cod Potato Chip Factory, the Barnstable Bat Company, jet skiing; golf, tennis, and great restaurants within a short drive of Ocean Edge.
